

Apparelmaster New Zealand COVID – 19 Update

To all our customers, these are trying times and our thoughts are with you as we all go into Alert Level 4. All of us are facing times of unprecedented uncertainty. Some of you will have had to close your doors during this lockdown phase and we truly hope you will be in a position to reopen when the Alert level is lifted. We will be here for you when you do.

Essential Services

Apparelmaster is part of the supply chain to many of the essential services that are working and open for business during Alert Level 4. This means we are operating in order to continue to provide our services to these businesses. We are working with minimal staff and in line with Covid-19 protocols as advised by MOH.

If you are an essential business please be sure to contact your local Apparelmaster branch if you have not done so already. We can then best ensure you get what you need from us to continue providing your essential service.
